Fundraiser & Night out on the Town! - Friday March 18th

Mark your calendar and plan on attending a great social event and important fundraiser for the baseball program. Our 6th annual fundraiser promises to be even bigger and better than last year. Tickets for the evening are \$25 each and we are encouraging each family to purchase 4 tickets and invite two others from outside the baseball program. As an added bonus, if you purchase your tickets Saturday, March 12th, you can **buy 3 tickets and get 1 free!**

You don't want to miss this event!!!

FOWB Membership

Each year we ask that every family involved in the baseball program, become a member of the Friends of Wildcat Baseball. The ongoing actions of this program have produced some outstanding results and needs your involvement to continue these activities. Some of the recent accomplishments of the organization include:

- 1) Arrangements and financial involvement for the Freshmen to play at the LBC fields
- 2) Sophomore team has home and away uniforms
- 3) Dugouts, brick wall, warning track, new batting cage, stadium seating, scoreboard, and outstanding playing conditions on the LHS field
- 4) and more on the way...

Sign up at the March 12th meeting. Please help us reach our goal of 100% participation!
